All talents, certified.

Most organizations struggle to transform their businesses to deliver value to customers quicker, be responsive to their needs, and even to adapt to meet changing ever market environments. **AgileSHIFT** was developed to address these key challenges and to prepare people for transformational change.

WHO IS THIS COURSE AIMED AT?

AgileSHIFT can be used by the entire organization, regardless of role, function or seniority. Therefore, AgileSHIFT training and certification is about priming the entire organization to adopt enterprise agility.

What makes AgileSHIFT unique is its focus on upskilling entire organizations rather than individuals or isolated teams. The value of transformational change is taught to virtually all departments.

COURSE AIMS & OBJECTIVES

- Understand why organizations need to create a culture of enterprise agility in response to a changing context
- Understand the key concepts of the AgileSHIFT framework
- Understand the AgileSHIFT delivery approach

ABOUT THIS COURSE
