Study for **COBIT 5** Certification at foundation level with an accredited online training course from Good e-Learning! Gain a good level of understanding about the IT management issues that organizations face today, and how COBIT 5 can be used to meet these issues.

WHO IS THIS COURSE AIMED AT?

This course is ideal for individuals or teams who wish to:

· Demonstrate a good understanding of COBIT 5

· Achieve a recognized qualification that demonstrates their ability to apply COBIT 5

· Become a certified COBIT professional

· Join the elite group of qualified COBIT5 professionals worldwide

WHAT WILL YOU LEARN?

This course is based on the COBIT 5 Foundation exam syllabus with a focus on learning and retaining information. COBIT 5 terms are explained in detail and are supported with examples. You will study:

· The COBIT 5 Principles

· The COBIT 5 Enablers

· An Introduction to COBIT 5 Implementation

· The Process Capability Assessment Model

The business orientation of COBIT consists of linking business goals to IT goals, providing metrics and maturity models to measure their achievement, and identifying the associated responsibilities of business and IT process owners.

Upon gaining COBIT 5 Foundation certification you will be able to demonstrate a good level of understanding about the IT management issues that organizations face today and how COBIT 5 can be used to meet these issues. It is likely that you will have used the elements of COBIT5, in practice, and will be able to recommended applications of COBIT5 for enterprise-wide projects.

ACCREDITATION

This course has been accredited by **PeopleCert** which is licensed by ISACA as an official Examination Institute.

IS THERE AN EXAM?

When you have completed the COBIT Foundation eLearning course, you should be ready to start preparing for the Foundation Level exam.

The test can be taken online at any time via PeopleCert. Candidates will require a webcam and microphone.

The exam is a closed-book exam, consisting of 50 multiple-choice questions, of which you need to get half correct to pass. There is a time limit of 40 minutes.
