Change management is an essential element of business optimization, both for individual projects and wider organizational strategies.

This course will fully equip students to not only to pass the Change Management Foundation exam, but also to begin applying your new knowledge in practice. Kickstart your change management training today!

WHO IS THE COURSE AIMED AT?

- Managers and team members involved in organizational change who want to understand the APMG Change Management framework's best practices and how to apply them in real-world organizations
- Anyone wishing to gain valuable practical insight into managing change
- Anyone looking to make team and organizational change management a part of their career
- Anyone looking to open up new networking and career opportunities, as well as higher-paying management roles
- Anyone seeking to pass the official APMG-International Change Management Foundation exam on their first attempt

WHAT WILL YOU LEARN?

- The concept of change management and when it can be required
- Knowledge, theories, and techniques used to support change
- How to instigate change within both individuals and organizations
- How to provide motivation and support for teams and individuals exposed to change

- How to manage, inform, and satisfy stakeholders
- Communication and engagement
- The impact of change on individuals, teams, organizations, and change leaders, as well as how they can affect it
- Everything required to pass the APMG International Change Management Foundation certification examination

WHY TAKE THIS COURSE?

- Obtaining the APMG International Change Management Foundation qualification can help learners unlock significant networking and career opportunities
- Successfully passing the Change Management Foundation exam is a prerequisite for sitting the Practitioner exam
