All talents, certified.

Adopting the **PRINCE2 Agile** methodology offers a number of organizational benefits. Practitioners often find it easier to hit deadlines, adapt to change and keep teams stable and targeted. The framework also shows users how to deal with stakeholders, ensuring that they are consistently satisfied.

WHO IS THIS COURSE AIMED AT?

This course is perfect for both new and experienced project managers. PRINCE2 and Agile offer widely-respected and actionable insight that students can quickly start applying to their own work. Even better, becoming certified in PRINCE2 Agile can help candidates to unlock higher-paying roles in a variety of industries and locations.

WHAT WILL YOU LEARN?

This course offers an excellent introduction to PRINCE2 Agile. Not only can the combined methodology enable focused, flexible and less wasteful development processes, but it can also help businesses to achieve organic growth in both brand reputation and customer retention.

Successfully achieving your PRINCE2 Agile Foundation certification will demonstrate your ability to understand each methodology, use them to support project management teams and adapt them to suit specific projects.

No previous qualifications are required to take this course.

Students who complete this course will learn:

· The basic concepts and purposes of PRINCE2 and Agile and how to apply the frameworks in practice

· The compatibility of PRINCE2 and Agile, as well as the purpose of combining the project management methodologies

· How to tailor and apply PRINCE2 to projects within an Agile context

ACCREDITATION

This course has been accredited by **PeopleCert**, which is licensed by AXELOS as an Examination Institute for the PRINCE2 Foundation Certificate in Project Management.

IS THERE AN EXAM?

The PRINCE2 Agile Foundation examination is a closed-book multiple choice exam. There are 50 questions, with one mark available for every correct answer and 50 marks available in total.

Students will have 60 minutes to complete the exam. In order to pass, students must earn at least 55%.

The course comes complete with revision modules and mock exams to help students prepare for the real thing as well as a FREE exam voucher!

You can take your exam online (virtually) at any time using the service provided by PeopleCert.
