This course is designed to help candidates understand the risks, issues, and value of cyber resilience in practice. By the end of the course, candidates will be fully prepared to sit and pass the RESILIA Practitioner exam.
Become a fully qualified **RESILIA practitioner** today!

WHO IS THIS COURSE AIMED AT?

· Candidates looking for best practices in cybersecurity and cyber resilience

· Businesses that rely on digital services and technology to manage information

· Candidates working in areas like Business Analysis, IT Security, ITSM, Security Architecture, IT Development, Compliance, Risk Management

· Teams and departments in areas where cyber resilience is important, such as Finance, Operations, and Procuremen

WHAT WILL YOU LEARN?

· How to design and deliver cyber resilient strategies and services across your organization in line with your business needs

· How to integrate cyber resilience into your existing systems and processes

· How to establish a common language for cyber resilience across your organization

· How to minimize the damage from security breaches and quickly respond and recover

WHY TAKE THIS COURSE?

· This course demonstrates how to take the RESILIA syllabus and integrate it into real-world organizations

· RESILIA offers world-class tools and best practices for cyber resilience and cybersecurity

· Cyber resilience is crucial across multiple departments outside of IT and Security, including Marketing, Finance, and HR

· We offer each student 6 months access and a FREE exam voucher, as well as a FREE resit with Exam Pledge (T&Cs apply)

· Prepare for the exam with a practice exam simulator and two sample papers

ACCREDITATION

This course has been accredited by **PeopleCert**, which is licensed by AXELOS as an official Examination Institute.

IS THERE AN EXAM?

Yes, the exam is closed-book and includes 50 questions in a question and answer format.

The exam duration is 2 hours and 15 minutes and the pass mark is 60%.

The test can be taken online at any time via PeopleCert. Candidates will require a webcam and microphone.
